CRC Amendment (with title amendment)

Delete everything after the proposal clause
and insert:

Section 16 of Article I of the State Constitution is
amended to read:

ARTICLE I

DECLARATION OF RIGHTS

SECTION 16. Rights of accused and of victims.—

(a) In all criminal prosecutions the accused shall, upon

160702

11 demand, be informed of the nature and cause of the accusation,
12 and shall be furnished a copy of the charges, and shall have the
13 right to have compulsory process for witnesses, to confront at
14 trial adverse witnesses, to be heard in person, by counsel or
15 both, and to have a speedy and public trial by impartial jury in
16 the county where the crime was committed. If the county is not
17 known, the indictment or information may charge venue in two or
18 more counties conjunctively and proof that the crime was
19 committed in that area shall be sufficient; but before pleading
20 the accused may elect in which of those counties the trial will
21 take place. Venue for prosecution of crimes committed beyond the
22 boundaries of the state shall be fixed by law.

23 (b) To preserve and protect the right of crime victims to
24 achieve justice, ensure a meaningful role throughout the
25 criminal and juvenile justice systems for crime victims, and
26 ensure that crime victims' rights and interests are respected
27 and protected by law in a manner no less vigorous than
28 protections afforded to criminal defendants and juvenile
29 delinquents, every victim is entitled to the following rights,
30 beginning at the time of his or her victimization:

31 (1) The right to due process and to be treated with
32 fairness and respect for the victim's dignity.

33 (2) The right to be free from intimidation, harassment, and
34 abuse.

35 (3) The right, within the judicial process, to be
36 reasonably protected from the accused and any person acting on
37 behalf of the accused. However, nothing contained herein is
38 intended to create a special relationship between the crime
39 victim and any law enforcement agency or office absent a special

160702

40 relationship or duty as defined by Florida law.

41 (4) The right to have the safety and welfare of the victim
42 and the victim's family considered when setting bail, including
43 setting pretrial release conditions that protect the safety and
44 welfare of the victim and the victim's family.

45 (5) The right to prevent the disclosure of information or
46 records that could be used to locate or harass the victim or the
47 victim's family, or which could disclose confidential or
48 privileged information of the victim.

49 (6) A victim shall have the following specific rights upon
50 request:

51 a. The right to reasonable, accurate, and timely notice of,
52 and to be present at, all public proceedings involving the
53 criminal conduct, including, but not limited to, trial, plea,
54 sentencing, or adjudication, even if the victim will be a
55 witness at the proceeding, notwithstanding any rule to the
56 contrary. A victim shall also be provided reasonable, accurate,
57 and timely notice of any release or escape of the defendant or
58 delinquent, and any proceeding during which a right of the
59 victim is implicated.

60 b. The right to be heard in any public proceeding involving
61 pretrial or other release from any form of legal constraint,
62 plea, sentencing, adjudication, or parole, and any proceeding
63 during which a right of the victim is implicated.

64 c. The right to confer with the prosecuting attorney
65 concerning any plea agreements, participation in pretrial
66 diversion programs, release, restitution, sentencing, or any
67 other disposition of the case.

68 d. The right to provide information regarding the impact of

160702

69 the offender's conduct on the victim and the victim's family to
70 the individual responsible for conducting any presentence
71 investigation or compiling any presentence investigation report,
72 and to have any such information considered in any sentencing
73 recommendations submitted to the court.

74 e. The right to receive a copy of any presentence report,
75 and any other report or record relevant to the exercise of a
76 victim's right, except for such portions made confidential or
77 exempt by law.

78 f. The right to be informed of the conviction, sentence,
79 adjudication, place and time of incarceration, or other

SUFFRAGE AND ELECTIONS

SECTION 5. Primary, general, and special elections.-

608498

10 (a) A general election shall be held in each county on the
11 first Tuesday after the first Monday in November of each even-
12 numbered year to choose a successor to each elective state and
13 county officer whose term will expire before the next general
14 election and, except as provided herein, to fill each vacancy in
15 elective office for the unexpired portion of the term. A general
16 election may be suspended or delayed due to a state of emergency
17 or impending emergency pursuant to general law. Special
18 elections and referenda shall be held as provided by law.

19 (b) If all candidates for an office have the same party
20 affiliation and the winner will have either no opposition in the
21 general election, or opposition only from one or more write-in
22 candidates, then all qualified electors, regardless of party
23 affiliation, may vote in the primary elections for that office.
