

CONSTITUTION REVISION COMMISSION

— 2017 - 2018 —

CARLOS BERUFFE, CHAIRMAN

April 12, 2017

Dear Commissioners:

I have an update regarding the rules process I laid out in March. The appointing authorities have selected the following commissioners to serve on the rules working group:

- Governor Scott: Tim Cerio and Brecht Heuchan
- President Negron: Don Gaetz and Carolyn Timmann
- Speaker Corcoran: Tom Lee and Rich Newsome
- Chief Justice Labarga: Arthenia Joyner and Roberto Martinez

I have asked Tim Cerio to organize and facilitate the working group and to work with staff and his fellow commissioners to find a time and place to hold a noticed and open meeting or meetings to deliberate the proposed rules. My goal for the working group is to identify where there is consensus and where improvements can be made, and present those ideas to the full Commission in the form of a recommended amendment or amendments to the proposed rules.

Once the working group has completed its assignment, I will direct staff to recirculate the proposed rules, and the amendments recommended by the working group to each commissioner. Commissioners will also have the opportunity to present their own amendments to the proposed rules. We will vote on the proposed rules, and on all amendments, at a full Commission meeting to be held in early June. If you have any questions please feel free to contact me or Jeff Woodburn.

Sincerely,
