# CONSTITUTION REVISION COMMISSION

2017 - 2018

---

---

CARLOS BERUFFE CHAIRMAN

April 20, 2017

Dear Fellow Commissioners:

Chairman Beruff has asked me to organize and facilitate the rules working group in order to "...identify where there is consensus and where improvements can be made, and present those ideas to the full Commission in the form of a recommended amendment or amendments to the proposed rules." Where we cannot find final consensus, we will simply leave those issues for consideration by the full Commission.

I would like to schedule the working group meeting from 11:00 am to 4:00 pm prior to the public hearing in Tampa on Wednesday, May 17<sup>th</sup>. For those appointed to the working group, please let Jeff Woodburn know if you have any logistical problems with this schedule. Hopefully we will complete our work on May 17<sup>th</sup>. If not, we will notice another meeting of the working group as soon as possible. **I encourage all Commissioners to send your comments and/or feedback regarding the proposed rules to Jeff Woodburn by Friday, May 5<sup>th</sup> so that the working group may review those as well.**

I have also attached a rules packet to assist in our discussion. The packet includes:

- A resolution version of the proposed CRC rules
- A strike through version of the proposed rules (based on the 97-98 CRC rules)
- The 97-98 CRC rules

Also, here are links to the [Florida Senate](#) and [Florida House](#) rules for your reference. I look forward to working with everyone.

Sincerely,

A handwritten signature in blue ink, appearing to read "Timothy M. Cerio".

Timothy M. Cerio, Commissioner  
Constitution Revision Commission
