

Amendment No. 1

Commissioner Martinez offered the following:

Amendment

Remove lines 40-54 and insert:

(c) Counties served by a community college shall be authorized by law to levy a local option sales and use tax to supplement community college funding upon approval by the electors. The tax shall not be levied unless it is approved by the electors of each county served by the community college. The local option tax shall sunset after five years and may be reauthorized by the electors as provided by law.

(d) Counties served by a community college shall be authorized by law to levy a local option ad valorem tax to supplement community college funding upon approval by the electors. The tax shall not be levied unless it is approved by the electors of each county served by the community college. The ad valorem tax is not subject to the millage limits in this section. The local option ad valorem tax shall sunset after five years and may be reauthorized by the electors as provided by law.
