Clerk Sid White
Supreme Court of Florida
Tallahassee, Florida 32399-1927

Dear Mr. White:

I strenuously object to the proposed mandatory IOTA program being forced down the throats of the working Bar by those few members of the Bar who have an interest in supporting social programs.

The voluntary system of contribution allows those attorneys who are so inclined to make the effort to support a project they believe in, while permitting those members of the Bar (80%) who oppose such programs to elect not to participate.

It would be my hope that the Supreme Court of Florida would refuse to approve this Amendment.

Sincerely yours,

John N. Brugger
