Clerk of The Supreme Court
of Florida

Honorable Justices of the Florida Supreme Court:

As a member of the Florida Bar in good standing for approximately nine years, I must express my outrage at the proposal to mandate participation in the IOTA Program. Our founding fathers would turn over in their graves if they knew such a proposal was being seriously considered by The Supreme Court of a state in the Union. I only hope that the Court's sense of fairness will prevail and that this proposal will not be adopted.

Very truly yours
