Dear Committee Members:

I support the proposed Rule 2.072 Possession Of Court Records and encourage the Supreme Court to adopt the proposed rule.

As custodian of public records for the Circuit and County Courts the adoption of the proposed rule would provide the Clerk the authority necessary to protect court records but would not restrict or limit access to public records in any way.

I appreciate the opportunity to respond in support of the proposed rule.

Yours Sincerely,

Betty Strifler
Clerk of the Circuit Court
