RE: Case Number: SC02-2354
Petition to Amend Rules 2-11.1 and 4-13.2 of the Rules of the Supreme Court Relating
to Admissions to the Bar

Your Honors:

This letter is written on behalf of Mr. Rodd Michael Santomauro, my law clerk and my future partner in my practice of personal injury and workers compensation claims.

Specifically, my name is Gray M. Camfield, and I have an ongoing practice in Palm Bay, Florida. In my practice, I have employed Mr. Rodd Santomauro as my law clerk. Our plans are to make Mr. Santomauro my named partner when he obtains his J.D. degree and successfully completes the Florida Bar Examination. Mr. Santomauro is one of the unfortunate people who completed their J.D. Degree at Barry University School of Law, but as to the procedure requirements of the Florida Board of Bar Examiners, has been unable to obtain his Bar Examination Results. Mr. Santomauro has many years of experience in the practice of personal injury law and has proved to be knowledgeable, competent, and professional in his position. He will make a fine lawyer upon receipt of his license. The delay in the receipt of his license has caused many difficulties in my practice. We plan to make Mr. Rodd Santomauro a named partner when he gets his license. He will, of course, assume all of the responsibilities and obligations which go along with that. His help in the litigation of my cases will be and is much needed. The delay of the receipt of his license has caused a hardship to my practice. Based on his performance and professionalism, I am writing to recommend that this class of students who attended Barry University School of Law, but have been unable to receive their Bar Examination Results and their license, be allowed to do so. Mr. Santomauro has exemplified professionalism in dealing with my clients and will be an asset to the legal community.

If I can be of any further assistance or anyone has any questions, please do not hesitate to contact me.

Sincerely,

Gray M. Camfield
GMC/ya
