Re: Petition to amend Rules 2-11.1 and 4-13.2 of the Rule of the Supreme Court Relating to Admissions to the Bar

Petitioners: The Orange County Bar Association & Thomas B. Drage, Jr., Esq.

Case No: SC02-2354

Dear Esteemed Justices:

I am a writing to support the OCBA's petition for rule change, Case Number SC02-2354.

While I do not profess to grasp the history of Rules 2-11.1 and 4-13.2, I feel capable to comment on the pending petition due to the fact that my boyfriend, James Daniel Botkins graduated Barry University School of Law in year 2000, and is re-enrolled at the law school. earning his second Juris Doctorate. I was profoundly disappointed that this Honorable Court, the Florida Bar and the Florida Board of Bar Examiners were unable to fashion a remedy, prior to this time, that would have allowed Mr. Botkins the opportunity to take the Florida Bar Examinatori with the real prospect of becoming licensed to practice law.

It's my understanding that while Barry was undergoing the accreditation process, the ABA changed its procedures so that the House of Delegates can only remand the accreditation decision back to the Council of the ABA Section of Legal Education and Admissions to the Bar. In other words, the House of Delegates is no longer vested with the power to make the final accreditation decision. This change has resulted in the distinct possibility that a final decision could take as long as three years. As this Honorable Court is well aware, three years is 36 months, not 12 months as currently provided for under the rules.

I respectfully request that this Court adopt and implement one of the proposals submitted by petitioners so that the 12-month rule is changed to reflect the current ABA accreditation process.

Thank you for your consideration.

Respectfully submitted,

Elizabeth A. Barrett
