RE: Petition to Amend Rules 2-11.1 and 4-13.2 of the Rules of the Supreme Court
Relating to Admissions to the Bar

Petitioners: The Orange County Bar Association & Thomas B. Drage, Jr., Esq.
Case No. SC02-2354

Dear Your Honors:

This is a letter in full support of the above-referenced petition. I am a 26 year member of the Florida Bar, license number 219320.

My understanding of the ABA accreditation process is somewhat limited, but I do understand that their remand procedures began to evolve over a period of time between 1999 and 2001. Presently, the House of Delegates of the ABA does not have the authority to make the final decision as to whether a law school gains provisional ABA accreditation -they can only remand back to the Council of the ABA Section of Legal Education and Admissions to the Bar for reconsideration. This change has resulted in a glaring disconnect between this Court's 12-month rule and the ABA appellate process.

I urge this Honorable Court to act swiftly and surely to conform its rules to comply with the reality of the ABA's accreditation process. Further, I urge this Honorable Court to make certain that any law students/alumni from Barry University caught up in this conflict in the rules should be afforded full relief in the form of the release of the bar scores and, where appropriate, admission to the Florida Bar.

Thank you for your consideration.

Respectfully submitted,

Greg Johnson
