Re: Petition to Amend Rules 2-11. and 4-13.2 of the Rules of the Supreme Court Relatiniz to Admissions to the Bar

Petitioners : The Orange County Bar Association & Thomas B. Drage, Jr., Esq
Case No: SC02-2354

Dear Your Honors:

I was admitted to practice in Florida in 1980. My Florida Bar number is 313068. My concern with the case arises from the simple desire to see those treated fairly who have worked hard and long to secure their law degrees.

I stand in full and enthusiastic support of the above referenced petition. Which proposal is approved seems to me to be a matter best left to the sound discretion of the court.

It is my ardent hope that the court will see its way clearly to approve the rule changes proposed, and to remedy in advance the wrongs that would result otherwise.

Respectfully Submitted,

Vincent J. Patrucco
