Case No. SC05-1091.

Dear Justice Lewis:

The Supreme Court Committee on Standard Jury Instructions in Civil Cases has reviewed the public comments the Court received in this matter relating to the Committee's report (copy enclosed) filed on May 4, 2005 regarding various jury innovation recommendations. The Committee has no additional response to these public comments, such that the Committee's report is complete and ready for appropriate action in this matter. Please contact me if the Committee can assist the Court further. My best regards (and congratulations on your forthcoming elevation to Chief Justice).
