Re: SC0-1150 – Comments to Petition to Amend

Dear Justices:

We all know that Amendment 3 passed. Its proponents are still not satisfied. Their true intent is do deny ordinary citizens such as myself from engaging the services of a lawyer of my choice. They know how expensive litigation is and are well aware of the fact that I cannot afford to pay the legal expenses upfront. The only fair solution is for me to have a contingency arrangement. It's interesting to note the fees of the attorneys representing the doctors and insurance companies are not limited. The Petition before the Florida Supreme Court has absolutely nothing to do with giving the claimant a larger share of the award or settlement and everything to do with restricting a person's ability to bring a valid legal claim against wrongdoers. I urge the Court to deny the Petition.

Very truly yours,

Dalia Gelb
