Re: Petition to Limit Medical Malpractice Contingency Fees

To Whom It May Concern:

I have been a resident of Florida for more than 34 years.

The pros and cons of Amendment 3 were explained to me, I voted against it. The Amendment passed and I understand that the supporters are still not satisfied and are trying to limit even further my rights as a citizen to use the services of an attorney on terms that are acceptable to both of us. I feel that the big and powerful interest groups are trying to take my rights away. I strongly urge that the Petition before the Florida Supreme Court be defeated.

Thank you.

Very truly yours,

Janie M. Litt
