Re: **Grimes Petition-SC05-1150**

Dear Mr. Hall,

I hereby wish to voice my opposition to the Grimes Petition.

It is my opinion that if the people of Florida knew and understood that Amendment 3 was designed to limit attorneys' fees and prevent them from getting a lawyer of their choice, they never would have voted for it.

It is also my opinion that each individual citizen must have their right to contract with the attorney of their choice and the fee to be paid should be a matter between the lawyer and the client.

Last but not least, it is my opinion that as a potential victim of medical malpractice, if I wanted to hire a lawyer and the way to do that would be to waive any rights that I might have under Amendment 3, I believe I should have the right to do so. After all, I have the choice to waive my constitutional right if I am accused of a crime.

I thank you in advance for your time and attention and trust that my point of view will be noted and taken into consideration.

Respectfully,

CERTIFICATE OF SERVICE

I Hereby Certify that a true and correct copy of the foregoing was served by U.S. Mail upon John Harkness, General Counsel, The Florida Bar, 651 East Jefferson Street, Tallahassee, FL. 32399-2300 and Stephen H. Grimes, Counsel for Petitioners, Holland and Knight, LLP, P.O. Box 810, Tallahassee, FL. 32302-0810 on this the 20th day of October, 2005.
