**RE: SMALL CLAIMS RULES COMMITTEE**

Dear Ms. Yarbrough:

Pursuant to our previous correspondence and as previously reported to the Court, last bar year during my tenure as Chair of the Small Claims Rules Committee, the Committee determined that it has no comment regarding the proposed Rule 2.071(a), Use of Communication Equipment. We deemed the then-current rules sufficient for our purposes and deferred to those whose needs and interests are directly affected by that rule and its proposed change.

Very truly yours,
