Re: Case Number: SC06-1622
Amendment to Rule 20 Florida Registered Paralegal Program

Dear Mr. Hall:

I would like to extend my support of the proposed Amendment to Rule 20.

I have been a certified paralegal since 1998 and have seen the negative effects on the public and the profession, in allowing unauthorized persons to call themselves "paralegals". I feel this regulation is long overdue, and is owed to the profession. I would be willing to assist in any way possible.

I fully support the proposed Amendment to Rule 20.

Sincerely,

Jeannene Cox, CLA
