Re: Petition for Rule 20 – Regulation for Paralegals

Attention: Clerk's Office

I am writing to offer my support for Rule 20, Regulation of Paralegals.

I have the privilege of working on a daily basis with several paralegals. Their high degree of professionalism and skill greatly enhances the quality of legal services that our firm is able to provide.

As the Bar continues to focus on professionalism, regulation of paralegals is an excellent step.

Sincerely,
