Re: Case Number SC06-1622
Petition to Amend the Rules Regulating the Florida Bar Association

Dear Mr. Hall,

I have worked under attorney supervision as a paralegal in Brevard County for over 12 years. I have a Bachelor's Degree from the University of Central Florida in Legal Studies and I specialize in several areas of law including family, estate planning and real estate.

Please allow this correspondence to serve as my formal statement that I completely support Florida Bar Rule 20, which will establish the Florida Registered Paralegal Program. I think this Rule is essential towards the establishment of further regulation for paralegals, which will serve to both protect the public interest and enhance the services that paralegals can provide to their attorneys and their community.

Sincerely,

Nandra R. Ramnarine
