Re: Paralegal Regulation/SC06-1622

Dear Sir or Madam:

The purpose of this letter is to advise the Florida Supreme Court that I agree with the South Florida Paralegal Association's objections to The Florida Bar's petition to regulate the paralegal profession. I support autonomous governance of the paralegal profession which is overseen by the Supreme Court of the State of Florida.

Please contact me if you have questions, or need further information.

Sincerely,

Ivonne Santos
Corporate Paralegal
