Re: Case No. SC10-51  
Standard Jury Instructions

Dear Sir or Madam:

After reviewing the 2010-01 Standard Jury Instructions, page 3, regarding the cell phone and other device usage we felt that it would be most beneficial to have this information included in the Juror video that is shown. It could be incorporated as verbiage of written form at the beginning or ending of the video. We feel that it would be better communicated as part of the video then having the Clerk speak the information.

Respectfully,

Betty Strifler  
Clerk of the Circuit Court
